This matter is before this court pursuant to plaintiff’s Objection to the Magistrate Judge’s Report and Recommendation. This objection was filed on March 4, 2015. In the Magistrate Judge’s Report and Recommendation, she recommends dismissing plaintiff’s complaint for failure to prosecute. In his objection, plaintiff requests that the court not dismiss his case, as he misunderstood the purpose of the court’s financial and service documents that were mailed to him. It is therefore

ORDERED that the case be remanded to the Magistrate Judge for further review of plaintiff’s objections to the Report and Recommendation.

AND IT IS SO ORDERED.
