This court has reviewed the documents submitted for *in camera* review pursuant to this court's order dated July 17, 2012. The court finds that the documents submitted by the defendants are protected by the attorney-client privilege. Moreover, the court finds no reason to apply the crime-fraud exception and order the defendants to produce the documents. As such, Plaintiffs' Motion to Compel these documents is denied. (ECF No. 235).

For purposes of appeal, this court directs the Clerk to file the documents submitted for *in camera* review under seal.
