## DropShip

Prince Distribution LLC, offers dropship to their customers at little or no extra charge. This service allows you to create a specialized online store and stock it with a vast range of products. Your online store might focus on electronics or household goods but you may decide on supplying a number of goods to your customers.

Choosing dropship from Prince Distribution means that you do not have to maintain costly inventories or figure out complex programming codes as that is all done for you. We will takes care of all your day-to-day business processes leaving you plenty of time focus on inventories and sales but most importantly making money from your customers.

Now you are ready to begin the process of owning your own Internet business. Simply complete the following three steps

**Step 1** Choose the items which you want to order for your customers.

**Step 2** Provide your customer's shipping address.

**Step 3** After we confirm the completed payment for your dropship order, we will ship the items fast.

Dropshipping with us will enable you to be your own boss with your on Internet company in a matter of hours. We provide you with everything you need to run a profitable Internet company.

We never include Prince Distribution LLC, publicity materials or invoices within the packages sent to your customers in order to protect your reputation as a reputable vendor. In order to protect the true source of the goods and the price you as the vendor paid for them, we will employ various methods in order to ensure continuous customer loyalty.

If your customers experience any technical difficulties, or want to return goods purchased, they must first contact you as the Account holder as well as the vendor of their purchased goods.

Please note that any import taxes incurred must be paid to the courier upon delivery of the goods. Therefore when using dropship, your customers will be expected to pay these taxes.

Please note it's your responsibility as the Prince Distribution LLC, buyer/ dropship vendor to be knowledgeable in all taxes and inform your customers in advance. Prince Distribution LLC, accepts ZERO responsibility for providing tax information relevant to your country, although of course we will do whatever we can to help you minimize the tax burden if you have special packing/declaration instructions.

## How Dropship Works

Dropshipper ships item to your customer without your customer knowing it is dropshipped.

You place the same order with the dropshipper and keep the profits.

Customer goes to your website and places an

Customer places and pays you for the order.
