

# Exhibit A

1 the Web site?

2 **A I probably have. I don't recall, but I**  
3 **probably have.**

4 Q Who designed the layout of your Web sites?  
5 And let's not focus on the myscrub.com.

6 **A Okay.**

7 Q Let's focus on the three others that are golf  
8 related. Who designed the layout for those Web sites?

9 **A Pretty much me. Well, they got -- you know,**  
10 **Bright Website, it has a bunch of different layouts and**  
11 **stuff that you can kind of like choose from and just**  
12 **kind of pick and that kind of thing, so...**

13 Q What is Bright Website?

14 **A It's a -- it's Web builder.**

15 Q Is it a -- is it something to help you create  
16 your own --

17 **A Right, exactly.**

18 Q -- sales interface?

19 **A Well, just help you build your own Web site,**  
20 **that kind of thing.**

21 Q Just one note again, try to wait for the end.

22 **A Sorry.**

23 Q That's all right. So you used Bright  
24 Website --

25 **A Yeah.**

1       **A Okay.**

2       Q That's what it's called, Bright Ideas or

3 Bright --

4       **A I think it's Bright Website.**

5       Q Bright Website. How did you find them?

6       **A Just looking on the Internet.**

7       Q No one recommended them to you?

8       **A No.**

9       Q Didn't hear a radio ad in between the Rush  
10 Limbaugh show?

11       **A Actually, I do like Rush Limbaugh, though,  
12 but, no, I didn't hear it on the radio.**

13       Q There wasn't an Internet blog that said go to  
14 Bright Website to set up your portal?

15       **A No.**

16       Q So this was totally and completely a stumble  
17 upon accident --

18       **A Pretty much.**

19       Q -- that you ended up at Bright Website?

20       **A Right.**

21       Q Tell me about the -- your interaction with  
22 Bright Website, tell me about -- I haven't used them,  
23 so --

24       **A Right.**

25       Q -- the more you can describe for me, the

1           **A I don't think so. I think most of it was**  
2 **just, you know, via telephone, you know, just whoever**  
3 **your --**

4           **Q Did you have an account representative?**

5           **A Yes, but I don't know who it was. It was a**  
6 **guy.**

7           **Q But you did have a dedicated person who --**

8           **A Yeah, there was one person that helped you**  
9 **through for the first X amount of months, you know, to**  
10 **help you get started.**

11           **Q When did you sign up?**

12           **A It was like the first of the year last year.**

13           **Q All right. Let's get back to where we**  
14 **started with it before I started asking you other**  
15 **questions about it. Tell me how they described -- how**  
16 **they suggested you set up your business, what did they**  
17 **tell you to do?**

18           **A Well, I think they're in partnership with**  
19 **like the wholesalers, drop shippers, I'm not sure the**  
20 **particular names of certain ones that they recommend**  
21 **that you go to. But they were like, any wholesaler or**  
22 **drop shipper, you know, that's kind of what you want to**  
23 **look for when you're -- they said because if you -- the**  
24 **less money you have to put into getting product moved,**  
25 **the better off for you, because you don't have a bunch**

1 Q Did you ever discuss that conundrum with your  
2 account rep?

3 A Yeah, I probably did.

4 Q What did he say?

5 A Finding your niche, finding your thing that  
6 will work for you, your niche, I don't know exactly.  
7 Is it on there? Because that was totally random if it  
8 is.

9 Q Did you ask them about finding your -- is  
10 this after you've paid \$10,000?

11 A Yeah. Pretty dumb things. Because they were  
12 like, at the very least, you're going to make at least  
13 \$300 a month. That's going to cover you, your payment  
14 on your credit card for the first -- until you get it  
15 up and going.

16 Q Did you ever discuss golf with your account  
17 rep?

18 A Sure.

19 Q What did you discuss about golf with the  
20 account rep?

21 A Just that I was thinking about maybe doing  
22 that, something like that, because you didn't have to  
23 invest any money as far as product goes, you can -- you  
24 know, the wholesaler, drop shipper kind of thing.

25 Q What were his comments regarding that?

1           **A That sounds good, because he was going to**  
2 **build a site for his father or father-in-law or**  
3 **something.**

4           Q Selling golf?

5           **A Golf clubs, yeah, golf equipment.**

6           Q Did you ever discuss the Chinese Web sites  
7 with your account rep?

8           **A I don't recall that. I may have, may not**  
9 **have. I'm not sure.**

10          Q Now, is that \$10,000 like an initiation fee,  
11 or was that \$10,000 for the whole build out, use as  
12 much as you want?

13          **A Right.**

14          Q So are you still a member of Bright Web?

15          **A Yeah, I still -- still pay a fee every month.**  
16 **I don't have anything up there. I just pay the fee,**  
17 **because I was thinking maybe one day, you know, we**  
18 **would find something we could actually sell after**  
19 **investing \$10,000.**

20          Q What's the monthly fee?

21          **A I think it's 29.95 or something like that to**  
22 **just keep it up and running.**

23          Q Are you satisfied with your Bright Website  
24 experience?

25          **A Not hardly.**

1 Q Were there other packages other than the  
2 \$10,000 package?

3 **A It wasn't presented to me if there were.**

4 Q Is there anything else that you can think of  
5 about the Bright Web -- about your relationship with  
6 Bright Website that you think might be useful to  
7 Cleveland Golf?

8 **A No, not particularly, no, I don't think. I**  
9 **just think they could -- if I weren't supposed to be**  
10 **doing what I was doing, I feel like they should have**  
11 **been more, you know, in your face, hey, man, you can't**  
12 **sell that, you can't do that. That would have been**  
13 **helpful.**

14 Q Would you -- do you think you would have  
15 gotten into selling golf through the Chinese Web sites  
16 if you weren't a Bright Website member?

17 **A No. Like I said, for me, it was totally**  
18 **trying to find something, weren't killing myself**  
19 **working two jobs a week, you know, with two jobs.**

20 Q Does Bright Website help you with your Web  
21 site development?

22 **A They kind of walked you through how to put it**  
23 **together, but they don't actually do it for you.**

24 Q Do they walk -- let me ask this question  
25 fully, do they walk through a demonstration of how to
