_____)	

This matter comes before the court on the parties’ joint motion [dkt. # 26] to stay proceedings so that settlement may be finalized. The parties represent that settlement is close at hand and that sixty additional days should suffice to finalize a resolution to this action. The court finds that good cause exists for staying the proceeding and continuing to suspend all deadlines in the scheduling order [dkt. # 17]. This matter is hereby stayed until April 12, 2010. At that time, the parties are directed to file either a motion on the docket to lift the stay, or a docket entry notifying the court of the successful settlement of the case.

IT IS SO ORDERED.
