Smith & Jones Janitorial

Plaintiff,

vs.

Ultra Chem USA, Inc.; Micro Chemical  
Manufacturing and Supplies USA, Inc.; John  
Shieh; and Chris Shieh,

Defendants.

C/A No. 3:13-cv-01486-JFA

ORDER

Plaintiff has filed an emergency motion seeking leave to videotape the de bene esse deposition of Steve Focht, which is currently scheduled for Wednesday, August 27, 2014. ECF No. 123. Based upon this court's familiarity with the difficulties in scheduling the deposition of this witness who might be important to both parties in this case, it appears that a video deposition would be in the best interest of all parties to the case and in the interest of justice. For the foregoing reasons, the motion is granted and the de bene esse deposition shall be videotaped.

IT IS SO ORDERED.
