Jonathan Lee Riches,[Ⓢ]
Plaintiff

v.

Steve Fairchild aka Former Buffalo Bills offensive Coordinator
A/K/A Colorado State Football Coach,
Defendant

complaint
"Coordinator of my Harassment"

Comes now the Plaintiff, Jonathan Lee Riches,[Ⓢ] in prose, moves this court under 42 USC 1983 and a TRO Restraining order, Fairchild is in a major conspiracy with Pete Rose, Ancestors of the 1919 white Sox, and Rick Tochetti to fix the upcoming December 16th, 2007 Buffalo Bills v. Cleveland Browns game. He is going to coordinate the offense to score no points and lose, this will knock the Bills out of the Playoffs, then Fairchild plans to be the Colorado State football coach. I learned this from Miss Cleo. Scott Norwood is going to be the Kicker for him and miss. He is going to take flight to the Columbia cartel to silence me. Fairchild has secret ties with Mother Nature and can make it snow. He shaved points with Rick Tochte from Blue chips. Im whistle blowing, I also compel senator George Mitchell to test Fairchild for road Rage and Mothers Against drunk driving on him. I seek \$10 million in predication relief, I fear Marc Levy will be the next warden at FCI Williamsburg, I seek restraining orders
