CIVIL NO:

v.

Nicole Scherzinger aka Pussycat Dolls,

Defendant

Complaint

Comes now the Plaintiff, Jonathan Lee Riches<sup>Ⓢ</sup>, in pro-se, Moves under 42 USC 1983 I seek \$4.5 million in damages. Im not being fed Kosher food at FCI williamsburg. Im subjected to pork. FCI williamsburg has Palastinians without a wall, rocks are thrown at my solitary confinement cell. My Blanket has no warmth, the material comes from coldplay. The Bunk Bed is too close to the wall. I scrape my cheeks on the wall. Defendant built this place and sings in the vents. Stray Pussycats infect catnip. Scherzinger set cat traps, I saw her lip singing with ASLEY simpson. I discovered a music label conspiracy. She uses her own money to purchase her cd's in stores, then after Bill board records record sales, she takes the receipts back with the cd, and gets her money back, but her total record sales is still registered. She did this with the spice girls and dog pound. Of mice and men, I move to get a proper diet, my health is in danger.
