Complaint

Comes now the Plaintiff, Jonathan Lee Riches[Ⓢ], in pro-se, under 42 USC 1983. Plaintiff seeks \$10 million. My civil and constitutional rights are being violated. Termini Bros Bakery sends cream cakes and pudding pies loaded with sugar and trans fat to the coastline of Somalia for the Pirates. They then use international water to hisuck ships. I'm not being fed. Termini Bros Bakery is bias against me because I'm friends with Joseph TRAVIA. TRAVIA can see how skinny I got, and he has god in him, and gives me any left over crumbs or sugar he has, this is because noone is feeding me. My stomach is growling As I write this Lawsuit. They have to feed the children. I still have the shredded wheat in me. Last time I ate a hot meal was 3 years ago. I'm in solitary confinement. I get served Expired ensure. Termini is a United States company doing business with pirates. I'm not being fed, this is civil rights violation. You can see my ribs. Defendants took my pictures, but I submit as evidence my Pictures at Myspace / the real Jonathan Lee Riches.com. I seek relief.
