IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF SOUTH CAROLINA

William Douglas Dawson,)	C/A No. 4:14-cv-3259 DCN
Plaintiff,)	ORDER
vs.)	
Warden Larry Cartledge and Associate Warden Florence Mauney, in their individual capacities,))	
Defendants.)))	

The above referenced case is before this court upon the magistrate judge's recommendation that defendants' motion for summary judgment be granted and this case dismissed in its entirety.

This court is charged with conducting a <u>de novo</u> review of any portion of the magistrate judge's report to which a specific objection is registered, and may accept, reject, or modify, in whole or in part, the recommendations contained in that report. 28 U.S.C. § 636(b)(1). However, absent prompt objection by a dissatisfied party, it appears that Congress did not intend for the district court to review the factual and legal conclusions of the magistrate judge. <u>Thomas v Arn</u>, 474 U.S. 140 (1985). Additionally, any party who fails to file timely, written objections to the magistrate judge's report pursuant to 28 U.S.C. § 636(b)(1) waives the right to raise those objections at the appellate court level. <u>United States v. Schronce</u>, 727 F.2d 91 (4th Cir. 1984), cert. denied, 467 U.S. 1208 (1984). **Objections to the magistrate judge's report and**

¹In <u>Wright v. Collins</u>, 766 F.2d 841 (4th Cir. 1985), the court held "that a <u>pro se</u> litigant must receive fair notification of the <u>consequences</u> of failure to object to a magistrate judge's report before such a procedural default will result in waiver of the right to appeal. The notice must be 'sufficiently understandable to one in appellant's circumstances fairly to appraise him of what is required." <u>Id.</u> at 846. Plaintiff was advised in a clear manner that his objections

recommendation were timely filed by plaintiff on August 24, 2015.

A <u>de novo</u> review of the record indicates that the magistrate judge's report accurately summarizes this case and the applicable law. Accordingly, the magistrate judge's Report and Recommendation is **AFFIRMED**, defendants' motion for summary judgment is **GRANTED**, and this case is **DISMISSED** in its entirety.

AND IT IS SO ORDERED.

David C. Norton United States District Judge

August 27, 2015 Charleston, South Carolina

NOTICE OF RIGHT TO APPEAL

The parties are hereby notified that any right to appeal this Order is governed by Rules 3 and 4 of the Federal Rules of Appellate Procedure
