This matter is before the Court on a consent motion to strike the plaintiffs' claims for attorney's fees and pre-judgment interest and their demand for a jury trial. This matter arises out of a flood loss claim pursuant to a Standard Flood Insurance Policy issued to the Plaintiffs by Wright National Flood Insurance Company, in its capacity as a Write-Your-Own Program insurance carrier participating in the United States Government's National Flood Insurance Program, pursuant to the National Flood Insurance Act of 1968, as amended. As all such claims are paid with funds from the United States' Treasury, the Plaintiffs' demands for attorney's fees and prejudgment interest should be dismissed and the Plaintiffs' request for trial by jury is not appropriate in a claim under a Standard Flood Insurance Policy. The Parties, being in agreement that the demands for attorney's fees and prejudgment interest should be dismissed and that the jury demand should be stricken, and the Court, deeming it proper to do so,

IT IS HEREBY ORDERED that the Plaintiffs' demands for attorney's fees and prejudgment interest are dismissed; and

IT IS FURTHER ORDERED that the Plaintiffs' request for trial by jury is stricken.

IT IS SO ORDERED.
