CIVIL ACTION NO. 06:10-02147-HFF-BHH

ORDER

This case was filed as a civil action in which Plaintiff seeks return of his inheritance monies from Defendant. Plaintiff is proceeding pro se. The matter is before the Court for review of the Report and Recommendation (Report) of the United States Magistrate Judge suggesting that the Court dismiss this action without prejudice and without issuance and service of process for lack of subject matter jurisdiction. The Report was made in accordance with 28 U.S.C. § 636 and Local Civil Rule 73.02 for the District of South Carolina.

The Magistrate Judge makes only a recommendation to this Court. The recommendation has no presumptive weight. The responsibility to make a final determination remains with the Court. *Mathews v. Weber*, 423 U.S. 261, 270 (1976). The Court is charged with making a de novo determination of those portions of the Report to which specific objection is made, and the Court may accept, reject, or modify, in whole or in part, the recommendation of the Magistrate Judge or recommit the matter with instructions. 28 U.S.C. § 636(b)(1).

The Magistrate Judge filed the Report on August 23, 2010, but Plaintiff failed to file any objections to the Report. In the absence of such objections, the Court is not required to give any explanation for adopting the recommendation. *Camby v. Davis*, 718 F.2d 198, 199 (4th Cir. 1983). Moreover, a failure to object waives appellate review. *Wright v. Collins*, 766 F.2d 841, 845-46 (4th Cir. 1985).

After a thorough review of the Report and the record in this case pursuant to the standard set forth above, the Court adopts the Report and incorporates it herein. Therefore, it is the judgment of the Court that the action be **DISMISSED** *without prejudice* and without issuance and service of process for lack of subject matter jurisdiction.

IT IS SO ORDERED.

Signed this 17th day of September, 2010, in Spartanburg, South Carolina.
