Dockherty v. Bush Doc. 34

IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF SOUTH CAROLINA GREENVILLE DIVISION

| Alton Docherty, # 314263, |) |
|---------------------------|----------------------------------|
| Petitione | ; Civil Action No. 6:14-2835-TMC |
| v. Dennis Bush, |))) ORDER) |
| Responde | ent.) |

Petitioner, a state prisoner proceeding *pro se*, filed a petition for writ of habeas corpus pursuant to 28 U.S.C. § 2254. In accordance with 28 U.S.C. § 636(b)(1) and Local Civil Rule 73.02, D.S.C., this matter was referred to a magistrate judge for pretrial handling. Before the court is the magistrate judge's Report and Recommendation ("Report"), recommending that Respondent's motion for summary judgment (ECF No. 21) be granted. (ECF No. 30). Petitioner was advised of his right to file objections to the Report, and he filed timely objections. (ECF No. 32).

The Report has no presumptive weight and the responsibility to make a final determination in this matter remains with this court. *See Mathews v. Weber*, 423 U.S. 261, 270-71 (1976). The court need not conduct a de novo review when a party makes only "general and conclusory objections that do not direct the court to a specific error in the magistrate's proposed findings and recommendations." *Orpiano v. Johnson*, 687 F.2d 44, 47 (4th Cir. 1982). In that case, the court reviews the Report only for clear error. *See Diamond v. Colonial Life & Accident Ins. Co.*, 416 F.3d 310, 315 (4th Cir. 2005).

Petitioner's objections fail to address any specific, dispositive portion of the Report. The objections are non-specific, unrelated to the dispositive portions of the Report or merely restate

Petitioner's claims. The court has thoroughly reviewed the Report and Petitioner's objections

and finds no reason to deviate from the Report's recommended disposition.

Accordingly, the court adopts the Magistrate Judge's Report (ECF No. 30) and

incorporates it herein. It is therefore **ORDERED** that Respondent's motion for summary

judgment (ECF No. 21) is **GRANTED**.

Additionally, a certificate of appealability will not issue to a prisoner seeking habeas

relief absent "a substantial showing of the denial of a constitutional right." 28 U.S.C. §

2253(c)(2). A prisoner satisfies this standard by demonstrating that reasonable jurists would find

both that his constitutional claims are debatable and that any dispositive procedural rulings by

the district court are also debatable or wrong. See Miller-El v. Cockrell, 537 U.S. 322, 336

(2003); Rose v. Lee, 252 F.3d 676, 683 (4th Cir. 2001). In this case, the court finds that the

petitioner has failed to make a substantial showing of the denial of a constitutional right.

Accordingly, the court declines to issue a certificate of appealability.

IT IS SO ORDERED.

s/Timothy M. Cain

United States District Judge
