# IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF SOUTH CAROLINA GREENVILLE DIVISION

Vessel Medical, Inc., et al,

Plaintiffs,

Case No. 6:15-330-MGL

VS.

Craig Elliott, et al

Defendants.

**CONSENT ORDER** 

This Consent Order is entered for the purpose of documenting the parties' agreement as to the steps to be taken by Defendant Craig Elliott to comply with this Court's September 15, 2015, Opinion and Order granting, in part, Plaintiff's Motion for Preliminary Injunction (the "Order"), as that Order pertains to Plaintiffs' confidential information and trade secrets.

Pursuant to the Order, the parties have agreed as follows:

- 1. Defendant Elliott has made a forensically sound and complete mirror image of Defendant Elliott's computer hard drive (the "Mirrored Hard Drive"), using a qualified IT professional, Robert Smith of TechForce. Mr. Smith has delivered the Mirrored Hard Drive to Defendant Elliott's counsel, who shall retain possession of the Mirrored Hard Drive in a fireproof file cabinet and shall not access same until further order of this Court.
- 2. As described below, the parties intend to mediate this dispute as has been ordered by the Court. However, if the parties do not resolve this action at mediation, they shall thereafter timely identify a duly licensed and certified forensic examiner (the "Consultant") who shall conduct searches as agreed to amongst the parties and as ordered by the Court. Plaintiff's counsel shall deliver the Mirrored Hard Drive along with chain of custody documentation to the

Consultant, who shall retain exclusive possession of the Mirrored Hard Drive until further order of this Court.

- 3. Defendant Elliott, with the assistance of his counsel and a qualified IT professional, shall thereafter ensure that any and all data constituting Plaintiffs' confidential information or trade secrets, as described in the Order (the "Confidential Information" and "Trade Secrets"), is permanently removed from his computer hard drive, with no copies of any such data being retained by Plaintiff in any form, format or location. Plaintiff shall certify his compliance with this provision within one week of the entry of this Order.
- 4. Defendant Elliott's compliance with paragraphs 1 and 2 of this Consent Order shall be considered full compliance with paragraphs (A) and (F) of the Order as it relates to his dispossession and preservation of electronic information potentially containing or reflecting Confidential Information or Trade Secrets.
- 5. Defendant Elliott will continue to preserve all other electronic evidence, including any and all email correspondence, which Defendant Elliott certifies has been fully backed up and stored via retention tools available via his email provider, to the extent said email correspondence is not otherwise stored on the Mirrored Hard Drive.
- 6. Defendant Elliott stipulates that he has no other computers, smart phones, external storage devices on which he has stored or has access to any of Plaintiffs' Confidential Information or Trade Secrets, presently or at any time since June 1, 2014, nor has he sent any such Confidential Information or Trade Secrets to any cloud based storage system or to any third party, including, without limitation, Defendant Mako Medical Laboratories, LLC.
- 7. Before incurring additional discovery costs and ESI search costs, the parties have agreed to mediate this case as soon as possible (hopefully within 30 days) in the hopes that an

amicable, universal settlement is achievable.

8. If the case is resolved, the Mirrored Hard Drive will be destroyed by the Consultant

or returned to Plaintiffs.

9. If this case is not resolved via this mediation, the parties will negotiate and submit

to this Court a standard protocol for the search of Mirrored Hard Drive. Each party will bear the

expense of its searches, although the prevailing party may seek to recover these costs at the

conclusion of litigation.

10. Further, if the case is not resolved at mediation, Defendant Elliott shall have 48

hours to file a motion for reconsideration of the Order.

IT IS SO ORDERED.
