HOMEOWNERS POLICY FORM 3

AGREEMENT

We will provide the insurance described in this policy in return for the premium and compliance with all applicable provisions of this policy. The policy deductible applies to each Section I occurrence unless specifically excepted. The deductible does not apply to Section II losses.

Common Cause of Loss Deductible

If you incur loss to your property covered under this policy and any other covered property owned by you, from a common cause of loss, we will apply only the highest applicable deductible to the aggregate amount of property damages. If the other covered property owned by you is a motor vehicle, the loss must be covered under the motor vehicle's Coverage D – Comprehensive Coverage. Common cause of loss is one occurrence which results in loss to more than one item of covered property owned by you. The properties incurring loss by a common cause of loss must be covered by this policy and another policy that includes a Common Cause of Loss Deductible provision which is issued by American National Property And Casualty Company or American National General Insurance Company.

This provision does not apply if the common cause of loss results from the peril of earthquake.

Payment shall be for the shortest time required to repair or replace the part of the premises rented or held for rental, but not to exceed 24 months. This period of time is not limited by expiration of this policy. Fair rental

2. **Reasonable Repairs.** We will pay the reasonable cost incurred by you for necessary repairs made solely to protect covered property from further damage if a Peril Insured Against causes the loss. 3. **Trees, Shrubs, and Other Plants.** We cover trees, shrubs, plants, or lawns on the **residence premises**, for loss caused by the following Perils: Fire or lightning, Explosion, Riot or civil commotion, Aircraft, Vehicles not owned or operated by a resident of the **residence premises**, Vandalism or malicious mischief, or Theft. The total **limit of liability** for this coverage shall not exceed 5% of the Coverage A policy limit for all trees, shrubs, plants, and lawns nor more than \$500 for any one tree, shrub, or plant including removal expense. In no event do we cover property grown for **business** purposes.

4. **Fire Department Service Charge.** We will pay up to \$500 for your liability assumed by contract or agreement for fire department charges incurred when the fire department is called to save or protect covered property from a Peril Insured Against. No deductible applies to this coverage.

 - a. the legal obligation of any **insured** to pay because of the theft or unauthorized use of credit cards or fund transfer cards issued to or registered in any **insured's** name.  - c. We have the option to defend at our expense any **insured** or any **insured's** bank against any suit for the enforcement of payment under the Forgery coverage.
7. **Collapse.** We insure for risk of direct physical loss to covered property involving collapse of a building or any part of a building caused only by one or more of the following:

- a. Perils Insured Against in Coverage C – Personal Property. These perils apply to covered building and personal property for loss insured by this additional coverage;
- b. decay within the building or structure that is hidden from view, unless the presence of such decay is known to an **insured** prior to collapse. This additional coverage does not include any coverage for the sinking, shifting, or compaction of soil, fill material, or organic matter;
- c. insect or vermin damage within the building or structure that is hidden from view, unless the presence of such damage is known to an **insured** prior to collapse. - e. weight of rain, ice, or snow, which collects on a roof; or
- f. use of defective material or methods in construction, remodeling, or renovation if the collapse occurs during the course of the construction, remodeling, or renovation.

Loss to an awning, fence, patio, pavement, swimming pool, underground pipe, flue, drain, cesspool, septic tank, foundation, retaining wall, bulkhead, pier, wharf, or dock is not included under items b., c., d., e., and f. unless the loss is a direct result of the collapse of a building.

Collapse is defined as an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

Collapse does not include settling, cracking, shrinking, bulging, expansion, earth sinking, or compaction of soil, fill material, or organic matter.

Collapse does not include any building or any part of a building that remains standing, even if it is in danger of falling down or caving in, or even if it has separated from another building. A building or any part of a building that is standing is not considered to be in a state of collapse even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.

This coverage does not increase the **limit of liability** applying to the damaged covered property.

8. **Loss Assessment.** We will pay up to \$1,000 for your share of any loss assessment charged during the policy period against you by a corporation or association of property owners.

This coverage applies only when the assessment is made as a result of a direct loss to the property, owned by all members collectively, caused by a Peril Insured Against under Coverage A - Dwelling. - a. volcanic blast or airborne shock waves;
- b. ash, dust, or particulate matter; or
- c. lava flow.

We will pay for the removal of only the ash, dust, or particulate matter which has caused direct loss to a building or property contained in a building. One or more volcanic eruptions that occur within a 72-hour period shall be considered one volcanic eruption.

10. **Inflation Guard Coverage.** Each year on the anniversary of this policy, the Coverage A – Dwelling amount may be increased depending on a residential building cost index for your area. The **limits of liability** for Coverage B – Other Structures, Coverage C – Personal Property, and Coverage D – Loss of Use are increased at the same percentage as Coverage A.

SECTION I – PERILS INSURED AGAINST

COVERAGE A – DWELLING AND COVERAGE B – OTHER STRUCTURES

We insure for risks of accidental direct physical loss to the property described in Coverages A and B except:

1. collapse other than as provided in Additional Coverages, item 7. Collapse;
2. freezing of a plumbing, heating, air conditioning or automatic fire protective sprinkler system or of a household appliance, or by discharge, leakage, or overflow from within the system or appliance, caused by freezing. This exclusion applies only while the dwelling is vacant, unoccupied, or being constructed unless you have used reasonable care to:
 - a. maintain heat in the building; or
 - b. shut off the water supply and drain the system and appliances of water;
3. freezing, thawing, pressure, or weight of water or ice, whether driven by wind or not, to a fence, pavement, patio, swimming pool, foundation, retaining wall, bulkhead, pier, wharf, or dock;
4. theft in or to a dwelling under construction, or of materials and supplies for use in the construction until the dwelling is completed and occupied;
5. vandalism and malicious mischief or breakage of glass and safety glazing materials if the dwelling has been vacant for more than 30 consecutive days immediately before the loss. Vacant means empty or without contents pertaining to the usual activities customary to the occupancy of the dwelling. A dwelling being constructed is not considered vacant;
6. continuous or repeated seepage or leakage of water or steam, unless sudden and accidental, from within a plumbing, heating, air conditioning, or automatic fire protective sprinkler system, water bed, or from within a household appliance;
7.
 - a. wear and tear, marring, deterioration;
 - b. inherent vice, latent defect, mechanical breakdown;
 - c. smog, rust, mold, or wet or dry rot;
 - d. smoke from agricultural smudging or industrial operations;
 - e. pollution or contamination;
 - f. settling, cracking, shrinking, bulging, or expansion of pavements, patios, foundations, walls, floors, roofs, or ceilings; or
 - g. birds, vermin, rodents, insects, or domestic animals.

If any of these cause water damage, not otherwise excluded, from a plumbing, heating, air conditioning, or automatic fire protective sprinkler system or household appliance, we cover loss caused by the water, including the cost of tearing out and replacing any part of a building necessary to repair the system or appliance. We do not cover loss to the system or appliance from which this water escaped;

8. **cosmetic loss or damage to metal roof coverings caused by the peril of hail.**

Cosmetic loss or damage means only that damage that alters the physical appearance of the roof covering, but does not result in failure of the roof covering to perform its intended function or damage that allows the penetration of water through the roof covering.

We do cover hail damage to the roof coverings that results in damage that will allow the penetration of water through the roof covering or that results in the failure of the roof covering to perform its intended function.

Roof covering means the roofing material exposed to the weather, the underlayments applied for moisture protection and all flashings, vents and roof accessories required in the replacement of a roof covering, with the purpose of keeping out elements over an extended period of time; and

9. losses excluded under Section I - Exclusions.

COVERAGE C – PERSONAL PROPERTY

We insure for accidental, direct, physical loss to property described in Coverage C caused by:

1. **Fire or lightning.**
2. **Windstorm or hail.** This peril does not include loss to the property contained in a building caused by rain, snow, sleet, sand, or dust, unless the direct force of wind or hail damages the building causing an opening in a roof or wall and the rain, snow, sleet, sand, or dust enters through this opening. This peril includes loss to watercraft and their trailers, furnishings, equipment, and outboard motors, only while inside a fully enclosed building.
3. **Explosion.**
4. **Riot or civil commotion.**
5. **Aircraft,** including self-propelled missiles and spacecraft.
6. **Vehicles.** This peril does not include watercraft.

If the two appraisers are unable to agree upon an umpire within 15 days, you or we can ask a judge of a court of record in the state where the **residence premises** is located to select an umpire. The appraisers shall then set the amount of the loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon shall be the amount of the loss. If the appraisers fail to agree within a reasonable time, they shall submit their differences to the umpire. Written agreement signed by any two of these three shall set the amount of the loss. If more than one mortgagee is named, the order of payment shall be the same as the order or precedence of the mortgages.  - pays any premium due under this policy on demand if you have neglected to pay the premium; and

If we pay the mortgagee for any loss and deny payment to you:

- a. we are subrogated to all the rights of the mortgagee granted under the mortgage on the property; or
- b. at our option, we may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, we shall receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt. Subrogation shall not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.
