MEMORANDUM AND ORDER

This case is before the undersigned pursuant to 28 U.S.C. § 636, the Rules of this Court, and Standing Order 13-02.

Previously, on January 18, 2019, the Court found that this litigation is one that could benefit from mediation, and ordered the parties to mediate the case within one hundred fifty (150) days of the entry of the Order. [Doc. 459].¹ On March 22, 2019, the Court approved the appointment of

Daniel J. Balhoff to serve as a mediator in the present case. [Doc. 466]. After the parties filed a joint motion for an extension of time for mediation [Doc. 472], the Court extended the deadline for mediation until August 16, 2019. [Doc. 474]. The Court directed the parties that within ten (10) days following the conclusion of the mediation, the mediator should file a report with the Court stating the outcome of the mediation, as contemplated by Local Rule 16.4(m). [*Id.* at 3].

As the mediator has not filed a report with the Court stating the outcome of the mediation, the Court finds that the deadline for mediation will be extended an additional **sixty (60) days, until October 15, 2019**. The Court directs the parties that if they are unable to completely resolve this litigation pursuant to mediation, they **SHALL report** to the Court, along with any updates to their Phase II trial proposals, within ten (10) days following the conclusion of the mediation.

IT IS SO ORDERED.
