O R D E R

On June 21, 2011, an order (Docket Entry No.5) was entered dismissing the instant *pro se* § 1983 prisoner action as untimely.

Since the entry of that order, the plaintiff has filed a Motion to Seal Document (Docket Entry No.6), a Notice of Appeal (Docket Entry No.10), and an application to proceed on appeal in forma pauperis (Docket Entry No.11).

In his Motion to Seal Document, the plaintiff seeks to have Exhibit 8 to his complaint, a criminal judgment form for an aggravated robbery conviction, sealed and replaced by a redacted copy of the form. Plaintiff's Motion to Seal Document and replace it with a redacted copy is GRANTED.

The plaintiff has neglected to sign his application to proceed on appeal in forma pauperis. Therefore, the Court can not yet rule upon the merits of the application. See Rule 11(a), Fed. R. Civ. P. (an unsigned pleading shall be stricken unless omission of the

signature is corrected promptly).

Accordingly, the Clerk is directed to return the plaintiff's unsigned application to him. The plaintiff shall sign the application and forward it to the Clerk's Office within fourteen (14) days of its receipt.

It is so ORDERED.

A handwritten signature in cursive script, appearing to read "Aleta A. Trauger", is written over a horizontal line. The signature is fluid and extends slightly beyond the right end of the line.
