Magistrate Judge Bryant

MOTION

Plaintiff moves the Court to cancel the case management conference presently set for Monday, September 20, 2010 at 10:00 a.m.

Defendant has not answered or otherwise responded to the complaint in this civil action, as a result of which Plaintiff has this date requested entry of default. Plaintiff is also in the process of preparing for filing a motion for preliminary injunction, and anticipates such filing will occur within the next few business days.

As a consequence of the foregoing, Plaintiff respectfully suggests because Defendant has not otherwise entered or participated in this civil action, the case management conference should be cancelled.

Respectfully submitted,
