O R D E R

The Plaintiff has filed a motion to consolidate actions and file an amended complaint in the cases of *Tyrone Humphrey*, Case 3:14-1187 (Docket Entry 8) and *Brandi Humphrey*, Case 3:14-1188 (Docket Entry 9). The motions are **GRANTED** and the **Clerk** will consolidate these cases.

In view of this amendment, which now combines the Humphreys' complaint against David Justo and Columbus Freight, LLC into a single document, Case 3:14-1188 will be termed as **MOOT**. All further filings in this matter should be done in the lead case, Case 3:14-1187.

It is so **ORDERED**.
