The Defendant has filed a motion for Summary Judgement (Docket Entry 14). It appears that a scheduling order was not entered in this case after the answer of the defendant was filed at the end of March 2018. The Plaintiff under this scheduling order has until Dec 19, 2018 to file a response or ask for additional time or for discovery. Plaintiff should read the rules cited below concerning dispositive motions.

I. GENERAL COURT RULES AND PROCEDURES

Any filing made with the Court must comply with Rule 5 of the Federal Rules of Civil Procedure, which requires that a copy of any filing made with the Court be sent to the opposing party or their counsel and that the document filed contains a certification stating that a copy has been sent to all attorneys, including their names and addresses, and on what date the document was mailed. Any

filing which does not comply with this requirement will be returned and/or stricken from the record.

Each party is responsible for making and obtaining copies of any documents or filings they send to the Court. It is not the Court's responsibility to provide free copies of any documents to the parties. If a party desires to obtain a copy of a document in the official court file, the party should contact the Clerk's office, with the docket entry number of the document if possible, about obtaining copies. The cost of copying is .50¢ per page.

Each party is required to keep both the Court and the opposing party or their counsel informed of their current address. The Plaintiff's failure to keep the Court informed of her current address may result in a recommendation that the action be dismissed for failure to prosecute and for failure to comply with the Court's order.

II. PRETRIAL DEADLINES

Amendment of Pleadings

The parties shall have until Jan 7, 2019, to move to amend the pleadings.

Discovery

All discovery shall be completed by **March 29, 2019**. By this, the Court means that all written discovery should be served far enough before the discovery completion date, *i.e.*, at least **30 days** prior to the discovery completion deadline, so that responses or objections to any written discovery can

be made prior to the completion deadline. For example, serving written discovery upon an opposing party a few days prior to the discovery completion deadline does not comply with this scheduling order and may result in discovery being denied to the requesting party.

Any party seeking to serve written discovery upon another party which would result in responses being served after the discovery completion deadline must obtain leave of the Court to serve untimely discovery requests.

Written discovery should be sent to the opposing party and should not be filed with the Court, nor should a copy of the written discovery be sent to the Court unless it is sent as an attachment to a discovery motion. A Court order is not required for a party to engage in discovery and discovery in an action is not stayed upon the filing of any motion unless specifically ordered by the Court.

Discovery Motions

All discovery motions must be filed by March 29, 2019. All discovery motions must comply with the applicable requirements contained in Rule 37 of the Federal Rules of Civil Procedure, Rule 37.01 of the Local Rules of Court, or any other relevant Federal Rules of Civil Procedure.

No discovery dispute related motions shall be filed without first contacting the Magistrate Judge's office and setting up a telephone conference to discuss the matter with the Magistrate Judge.

Dispositive Motions

All dispositive motions to dismiss and for summary judgment shall be filed by **April 30, 2019**. Plaintiff is forewarned that dispositive motions must be responded to within **28 days** unless an extension is granted by the Court, and that failure to respond to the motion and to statements of facts may result in the Court taking the facts alleged in the matter as true and granting the relief requested. In responding, plaintiff may not just rely on her complaint. Plaintiff must show there is a material dispute of fact with citation to the record, affidavits or other matter of evidence. Plaintiff should read and comply with Federal Rule of Civil Procedure 56 and Local Rule 56.01. Any replies, limited to five pages, are due **seven days** after a response.

If dispositive motions are filed earlier, the response and reply dates for that motion shall be moved up accordingly.

Other Motions

Any other motions (other than *in limine* or related to trial matters) must be filed by April 30, 2019.

Trial Date

A trial date will be recommended once the dispositive motion is resolved and any needed discovery is completed.
