**FINAL JUDGMENT AND ORDER FOR DISBURSEMENT
AND RETENTION OF DEPOSITED FUNDS**

The United States of America upon the relation and for the use of the Tennessee Valley Authority (“TVA”) initiated this federal condemnation action on March 23, 2021, to acquire a 0.005-acre cemetery (“McCreary Cemetery fee”) and cemetery, burial and access rights (collectively, “cemetery rights”) with respect to six cemeteries within the reservation boundary of TVA’s Gallatin Fossil Plant (GAF) in Sumner County, Tennessee (“Cemetery Tracts”), and for an order authorizing TVA to disinter the remains buried on the Cemetery Tracts and to reinter said remains at a suitable reinterment location(s). On March 23, 2021, TVA filed the Complaint (Doc. 1) in which TVA identified the individuals it believed have or may claim an ownership interest in the property rights acquired as to the Cemetery Tracts. Along with the Complaint, TVA filed a Declaration of Taking (Doc. 2) with legal descriptions of the property rights taken in this action (Doc. 2-1) and a Notice of Condemnation (Doc. 3). On July 13, 2021, TVA amended

the initial Complaint and Notice of Condemnation (Docs. 34, 35) to include additional three additional Defendants and to correct the names of two previously named Defendants.¹

On September 10, 2021, upon motion by TVA, the Court entered an Order (Doc. 45) authorizing TVA to disinter the remains buried on the Cemetery Tracts and to reinter said remains at a suitable reinterment location(s). *See United States ex rel. TVA v. 0.005 Acre of Land in Sumner Cty., Tenn.*, No. 3:1-cv-00249, 2021 WL 4261241, at *2 (M.D. Tenn. Sept. 10, 2021) (“*0.005 Acre of Land I*”).

On January 12, 2022, TVA filed its Motion for Partial Summary Judgment on Issue of Compensation (Docs. 49, 50), seeking an order awarding total compensation of \$40,000 for the McCreary Cemetery fee and awarding no compensation for the cemetery rights because the fair market value of the replacement cemetery rights at a suitable reinterment location(s) is equal or greater to the fair market value of the existing cemetery rights. On February 14, 2022, the Court entered a Memorandum Opinion and Order (Doc. 52) granting TVA’s Motion for Partial Summary Judgment. *See United States ex rel. TVA v. 0.005 Acre of Land in Sumner Cty., Tenn.*, No. 3:1-cv-00249, 2022 WL 446014 (M.D. Tenn. Feb. 14, 2022) (“*0.005 Acre of Land II*”). The Court found that \$40,000 was just compensation for the McCreary Cemetery fee and that no compensation was awarded for the cemetery rights. *See 0.005 Acre of Land II*, 2022 WL 446014, at *3. The Court also ordered TVA to file a declaration which sets forth TVA’s position as to the allocation of the compensation owed for the McCreary Cemetery fee. *Id.* at *4. *See Fed. R. Civ. P. 71.1(j)(2)* (“After a deposit, the court and attorneys must expedite the proceedings so as to distribute the deposit and to determine and pay compensation.”).

¹ There was no change or amendment to the property rights condemned and/or the legal descriptions of the Cemetery Tracts and therefore TVA did not file an amended Declaration of Taking.

On February 22, 2022, TVA filed the Declaration of Lorie M. Hunt (Doc. 54) (“Hunt Declaration”) with TVA’s position on the allocation of the compensation award for the McCreary Cemetery fee based on TVA’s diligent review of deeds, other recorded instruments, and historical and genealogical research in the Wood Genealogical Report (“Wood Report”). (*Id.* at ¶¶ 2–4; Doc. 54-1 through Doc. 54-3.) The Hunt Declaration contains TVA’s position regarding the identity of the individuals who claim or may claim an interest in the McCreary Cemetery fee. (Doc. 54 at ¶ 5.) Attachment 4 to the Hunt Declaration lists TVA’s estimated fractional interest for each individual identified by TVA as holding a fractional interest for purposes of distribution of compensation. (Doc. 54-4.) Attachment 5 to the Hunt Declaration contains the mathematical apportionment of the compensation award based on the estimated fractional interest of each person. (Doc. 54-5.) The Hunt Declaration states that due to the volume of descendants initially identified in the Wood Report (Doc. 54-3) who have or may claim an interest in the McCreary Cemetery fee, all individuals noted in the Wood Report as “living” (whether related by blood or marriage and regardless of level of lineage) were named as Defendants in this action. (Doc. 54 at ¶ 5(k).) For purposes of determining fractional interest and distribution of compensation, however, Defendants who are issue (children) of descendants listed as “living” in the Wood Report were not listed in Attachment 4 to the Hunt Declaration as individuals entitled to a fractional interest (*see* Doc. 54-4) for purposes of distribution of the compensation award because their interest has not yet vested. (Doc. 54 at ¶ 5(k).)

No Defendant filed an objection to the Hunt Declaration or provided information contesting the same. (*See* Docket.)

In recognition that the remaining issues of ownership and apportionment in this case are reserved for the court’s disposition, the Court issued two Orders (Docs. 53, 57) establishing the procedure for disbursement of the compensation award and directing any person claiming an

interest in the McCreary Cemetery fee and desiring to seek compensation to file a written request with the Clerk of Court postmarked by April 18, 2022. The following individuals filed a Notice of Claim: Debby Derryberry (Doc. 59); Jean W. Blunkall (Doc. 60);² Angela Welker Smith (Doc. 61) and Michael Baldwin (Doc. 62).

Claimant Debby Derryberry claims an ownership interest in the McCreary Cemetery fee. (Doc. 59.) Attachment 4 to the Hunt Declaration identifies Ms. Derryberry as having a fractional interest in the McCreary Cemetery fee (Doc. 54-4 at PageID#1050) and Attachment 5 to the Hunt Declaration identifies the mathematical apportionment of the compensation award to Ms. Derryberry based on her estimated fractional interest (Doc. 54-5 at PageID#1052).

Claimant Jean W. Blunkall claims an ownership interest in the McCreary Cemetery fee. (Doc. 60.) Attachment 4 to the Hunt Declaration identifies Ms. Blunkall as having a fractional interest in the McCreary Cemetery fee (Doc. 54-4 at PageID#1050) and Attachment 5 to the Hunt Declaration identifies the mathematical apportionment of the compensation award to Ms. Blunkall based on her estimated fractional interest (Doc. 54-5 at PageID#1052).

Claimant Angela Welker Smith claims an ownership interest in the McCreary Cemetery fee. (Doc. 61.) Ms. Welker Smith states in her notice that she is the daughter of Joseph H. Welker and the family tree graphic submitted with Ms. Welker Smith's notice indicates that Joseph H. Welker is "living." (*Id.* at PageID#1097–98.) The Wood Report lists Joseph H. Welker as "living" (Doc. 54-3 at PageID#963) and the Hunt Declaration lists Joseph H. Welker as having a fractional interest to and in the McCreary Cemetery fee (Doc. 54-4 at PageID#1049).

Claimant Michael Baldwin claims an ownership interest in the McCreary Cemetery fee. (Doc. 62.) Mr. Baldwin states in his notice that he is the son of Emma Welker-Morris. (*Id.* at PageID#1101.) The Wood Report lists Emma Welker-Morris as "living" (Doc. 54-3 at

² Jean W. Blunkhall is the married name of Edna Jean Womack.

PageID#963) and the Hunt Declaration lists Emma Welker-Morris as having a fractional interest to and in the McCreary Cemetery fee (Doc. 54-4 at PageID#1049).

“In an action involving eminent domain under federal law, the court tries all issues, including compensation, except when a party demands a jury trial within the time to answer.”

U.S. ex rel. Tennessee Valley Authority v. An Easement and Right-of-Way over 0.03 Acre of Land in Oktibbeha Cty., Miss., No. 1:17-cv-00152-GHD-DAS, 2019 WL 267881, at *1 (N.D. Miss. Jan. 18, 2019) (quoting Fed. R. Civ. P. 71(h)). Accordingly, based on the information submitted in the Hunt Declaration and supporting attachments (Doc. 54, Doc. 54-1 through Doc. 54-5), the information contained in the Notice of Claims (Docs. 59, 60, 61, 62), and the applicable authority, the Court **FINDS** that the ownership interests of the McCreary Cemetery fee acquired by TVA in this case and the apportionment/monetary value that should be assigned and disbursed based on the ownership interests are as outlined in Attachment 1 hereto.³

Based on these findings, the Court hereby **ORDERS** and **ADJUDGES** that:

1. The total amount of compensation available for disbursement is \$40,000.
2. The ownership interests of the McCreary Cemetery fee and the apportionment and allocation of the total amount of compensation available for disbursement are as set forth in Attachment 1 hereto.
3. The Clerk of this Court is authorized and directed to draw checks on the funds on deposit in the registry of this Court made payable to the following two Defendants.⁴

³ Attachment 1 contains a listing of the mathematical apportionment of the total compensation award to each person with an ownership interest in the McCreary Cemetery fee based on the estimated fractional interest of each such person. The list in Attachment 1 is identical to the list in Attachment 5 to the Hunt Declaration (Doc. 54-5).

⁴ The Court has reviewed the Notice of Claims filed by Claimant Angela Welker Smith (Doc. 61) and Claimant Michael Baldwin (Doc. 62) and finds that based on the information submitted with these Notice of Claims and the Hunt Declaration (Doc. 54), to which no objection was filed, these Defendants are issue (children) of descendants listed as “living” in the Wood

(a) A check in the amount of \$126.98, plus any accrued interest thereon less the applicable registry fee, made payable to “Debby Derryberry” in full satisfaction of this Judgment and Order Disbursing Funds (Judgment), and to mail said check to Debby Derryberry, 1131 Bledsoe Drive, Castalian Springs, Tennessee 37031, in full satisfaction of this Judgment.

(b) A check in the amount of \$126.98, plus any accrued interest thereon less the applicable registry fee, made payable to “Jean W. Blunkall” in full satisfaction of this Judgment and Order Disbursing Funds (Judgment), and to mail said check to Jean W. Blunkall, 420 Rock Springs Road, PO Box 416, Castalian Springs, Tennessee 37031, in full satisfaction of this Judgment.

4. To the extent that persons listed in Attachment 1 have not filed a notice of claim and/or are unknown, the Clerk of Court shall keep the remaining funds in an interest-bearing account and shall assess the administrative registry fee authorized by the Judicial Conference of the United States. Any person who subsequently files a notice of claim as to the remaining funds shall file a petition on the docket in this case, and the Court will make a determination as to the validity of any such claim and direct the Clerk of Court to make further disbursements from the remaining funds on deposit. Under 28 U.S.C. § 2042, such funds will be available in the Court’s Registry for at least five years. Any funds that remain unclaimed after such time will be deposited with the United States Treasury in the name and to the credit of the United States. After that, “[a]ny claimant entitled to any such money may, on petition to the court and upon notice to the United States attorney and full proof of the right thereto, obtain an order directing payment to him.” 28 U.S.C. § 2042.

Report (Doc. 54-3 at PageID##963–64), and therefore are not entitled to a fractional interest (*see* Doc. 54-4) for purposes of distribution of the compensation award because their interests have not yet vested.

5. The Clerk of Court shall also return to TVA all interest accrued while the funds have been on deposit. 40 U.S.C. § 3114(c)(1).

6. The vesting of title in the United States of America, free of all liens, claims, and encumbrances, as evidenced by the Declaration of Taking filed in this action on March 23, 2021 (Doc. 2), is hereby fully and finally confirmed with respect to the property rights described below, said description being the same as in Attachment 1 to the Declaration of Taking (Doc. 2-1):
