Tim,

Further to my voicemail to you yesterday and our conversation this afternoon, attached is a pdf file containing the materials from the Verizon v. Vonage case that we would like to submit in our case as part of a joint motion to supplement the record in connection with Verizon Communications' Motion to Dismiss.

I understand that you will let me know early next week whether Verizon would agree to a Joint Motion.

Please call me at (949) 721-7646 if you would like to discuss. Thank you.
