CASE NO. 2:07-CV-102
PATENT CASE

ORDER TO TRANSFER

The Court, *sua sponte*, hereby **TRANSFERS** the present case to the docket of Judge Folsom, in the Eastern District of Texas, Marshall Division. The Court **TRANSFERS** the present case in light of Judge Folsom’s familiarity with the patents and technology involved in the case. Judge Folsom presided over a Markman Hearing that involved the same patents and technology currently at issue. His previous exposure to these matters ensures judicial economy in the present case.

So **ORDERED** and **SIGNED** this 17th day of April, 2007.

LEONARD DAVIS
UNITED STATES DISTRICT JUDGE
