This is to confirm our actions regarding your complaint in case 2:07cv238.

We have removed the specified search criteria from our website effective August 28,2007 At 12:28 PM. Upon review of our history we found only one client who has ever used this feature. Over the period covered by your patent dates, we processed 1084 images for this client.

Based upon this very limited usage and our desire not to provide this search methodology In the future, we have elected not to license this usage from PhotoCrazy, Inc and Mr Peter Wolf.

This letter is to confirm our actions to cease and desist any practices which may have utilized some component of Mr. Wolf's patent. We trust you will find this action acceptable and would appreciate your confirming to us your understanding and acceptance of this action.

Sincerely

Gregory Walter , President
