**Subject:** FM: Date Certain for Production of remaining documents

Counsel:

As you know, the end of discovery is rapidly approaching and we have delayed some key depositions while you finish production. We appear to have agreed on many of the outstanding issues, but we have still not gotten documents that we thought had been produced and you told us had been produced. In addition, there are a few other categories where we're now in agreement that you will produce. Tomorrow evening, we intend to file with the Court a short motion asking it to order Google to finish the agreed production so that it is in FM's hands no later than September 1. Please let us know by 5 PM Central tomorrow whether you will agree to complete the agreed production and have it to us by September 1.
