GOOGLE, INC., ET AL.

ORDER

Pending before the court is the plaintiff Bright Response, LLC’s (“Bright Response”) motion to compel source code from the defendant Yahoo! Inc. (“Yahoo”) (Dkt. No. 195). After the motion to compel was filed, Bright Response and Yahoo filed a stipulation in which Bright Response agreed to not seek any additional source code from Yahoo (Dkt. No. 396). Thus, Bright Response’s motion is DENIED as moot.

SIGNED this 26th day of July, 2010.
