

IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF TEXAS  
MARSHALL DIVISION

NORTHEASTERN UNIVERSITY and  
JARG CORPORATION

Plaintiffs,

v.

GOOGLE INC.

Defendant.

Case No. 2:07-CV-486-CE

JURY TRIAL DEMANDED

**JOINT STIPULATION AUTHENTICATING DOCUMENTS PRODUCED**

Plaintiffs Northeastern University and Jarg Corporation (“*Northeastern and Jarg*”) and defendant Google Inc. (“*Google*”) file this Joint Stipulation Authenticating Documents Produced.

Northeastern and Jarg agree that all documents they have produced that are offered as trial exhibits by Google are authentic for the purpose of satisfying the requirements of Federal Rule of Evidence “*FRE*” 901. Google agrees that all documents it has produced that are offered as trial exhibits by Northeastern and Jarg are authentic for the purpose of satisfying the requirements of FRE 901. The parties reserve the right to object to the admissibility of such documents for reasons other than challenging their authenticity.

Notwithstanding the above, each party in its objections to the other party's exhibit list may object to the authenticity of specific documents. If the objected-to document falls within the scope of the parties' agreement above, it shall be presumed to be authentic, and the objecting party bears the burden to prove that the document is not authentic. Moreover, where the sole basis for objecting is that the document is not authentic, the objecting party shall also be responsible for seeking a ruling from the court that the document(s) to which it objects should be

excluded from the parties' agreement.
