So you decided to file the 2005 Slash assignment to replace the 1998 bill of sale and assignment; is that right? A. Not exactly. The purpose of the 2005 assignment was to, not to replace the 1998 bill of sale and assignment but to bring the PTO ownership records current with what we believed to be the actual state of ownership, that is, ownership by Daniel Egger. The 1998 assignment, in my opinion, reflected caused the transfer of ownership of the patents to Daniel Egger, the PTO assignment records did not reflect the underlying ownership of the patents. So the purpose of the assignments was to correct the PTO records which we believe to be an incorrect reflection of the true state of ownership. Q. Again, why was it necessary to why did you want the PTO records to be correct with respect to the ownership of the asserted patents here? A. Ultimately, the original client's request was to cause the transfer of ownership of the patents from Daniel Egger to Software Rights Archive. In effecting
