**Civil Action No. 2:07-cv-511-CE**

**JURY TRIAL DEMANDED**

**PLAINTIFF’S UNOPPOSED MOTION TO EXTEND PAGE LIMITS**

Plaintiff Software Rights Archive, LLC (“SRA”) respectfully moves this Court to extend its page limit for its Motion to Compel and also Google’s page limit for its response thereto. In support of this request, SRA states as follows:

The Local Rules of this Court limit SRA’s Motion to Compel to 15 pages. SRA’s motion presents multiple discovery disputes, however, spanning a nearly two-year time frame. These disputes share a common chronology, and it would be more efficient to present them in a single motion than to present them in multiple piecemeal motions. SRA therefore requests this Court to extend its page limit for this motion to 25 pages. Defendant Google does not oppose this motion, though it does oppose the propriety of SRA’s Motion to Compel. SRA and Google agree that, if SRA is granted this extension of page limit, Google likewise should be accorded an extension of the page limit for its response to 25 pages.

WHEREFORE, SRA respectfully requests this Court to extend the page limit for its Motion to Compel, as well as the page limit for Google’s response, to 25 pages, excluding attachments.

Respectfully submitted,

*Lee Kaplan (by RD)*

**CERTIFICATE OF CONFERENCE**

I hereby certify that SRA conferred with Google's counsel regarding this motion. Google does not oppose SRA's request for an extension of the page limit for its motion to compel to 25 pages, subject to SRA's agreement (which SRA gives) to an extension of Google's page limit for its response to 25 pages.
