## LIMITATIONS ON MOTIONS PRACTICE

Summary Judgment Motions: Prior to filing any summary judgment motion, the parties must submit letter briefs seeking permission to file the motion. The opening letter brief in each of those matters shall be no longer than five (5) pages and shall be filed with the Court no later than sixty (60) days before the deadline for filing summary judgment motions. Answering letter briefs in each of those matters shall be no longer than five (5) pages and filed with the Court no later than fourteen (14) days thereafter. Reply briefs in each of those matters shall be no longer than three (3) pages and filed with the Court no later than five (5) days thereafter. The Court may decide the question on the submissions or hold a hearing or telephone conference to hear arguments and to determine whether the filing of any motion will be permitted.

Motions to Strike Expert Testimony/Daubert Motions: Prior to filing any Motions to Strike or Daubert Motions, the parties must submit letter briefs seeking permission to file the motion. The opening letter brief in each of those matters shall be no longer than three (3) pages and shall be filed with the Court no later than sixty (60) days before the deadline for filing Motions to Strike or Daubert Motions. Answering letter briefs in each of those matters shall be no longer than three (3) pages and filed with the Court no later than fourteen (14) days thereafter. Reply briefs in each of those matters shall be no longer than two (2) pages and filed with the Court no later than five (5) days thereafter. For all of the above mentioned motions, the letter briefs shall be filed without exhibits. Any requests to submit letter briefs after the deadlines outlined above must show good cause.

## **OTHER LIMITATIONS**

- 1. All depositions to be read into evidence as part of the parties' case-in-chief shall be **EDITED** so as to exclude all unnecessary, repetitious, and irrelevant testimony; **ONLY** those portions which are relevant to the issues in controversy shall be read into evidence.
- 2. The Court will refuse to entertain any motion to compel discovery filed after the date of this Order unless the movant advises the Court within the body of the motion that counsel for the parties have first conferred in a good faith attempt to resolve the matter. See Eastern District of Texas Local Rule CV-7(h).
- 3. The following excuses will not warrant a continuance not justify a failure to comply with the discovery deadline:
  - (a) The fact that there are motions for summary judgment or motions to dismiss pending;
  - (b) The fact that one or more of the attorneys is set for trial in another court on the same day, unless the other setting was made prior to the date of this order or was made as a special provision for the parties in the other case;
  - (c) The failure to complete discovery prior to trial, unless the parties can demonstrate that it was impossible to complete discovery despite their good faith effort to do so.
