

WILEY DECLARATION EX. 17

The screenshot shows the Bing Maps Distance Calculator interface. The main map displays a route from Oakland, CA to Detafeld, Wisconsin. The route is shown as a red line across the United States. The calculator interface on the left includes the following elements:

- Distance Calculator** header.
- Instructions: "Calculate the straight line and the driving distances between multiple places."
- Add a Place** section with a search bar and a "Search" button.
- Your Places** section with a list of locations: "Detafeld, Wisconsin" and "Oakland, CA".
- Total Distances** section showing:
 - A straight line distance of 1809mi.
 - A driving distance of 2153mi.
- Units: "Kilometers (M) Miles" with "Miles" selected.
- Map controls: "Map", "Layers", "Print", "Share", and "MAP APPS".

The map shows the United States with state boundaries and major cities. A yellow dashed line indicates the straight-line distance, and a red solid line indicates the driving route. The map includes a scale bar for 250 Miles and a "Back to Center" button.
