

WILEY DECLARATION EX. 22

The screenshot shows the Bing Maps interface with the Distance Calculator tool. The map displays a route from Marshall, Texas to Vilonia, Arkansas. The calculator shows a total distance of 214 miles for the straight line and 249 miles for the driving route. The interface includes a search bar, a 'Your Places' list, and various map controls like zoom and pan. The map shows the United States with state boundaries and major cities labeled.
