

WILEY DECLARATION EX. 27

The screenshot shows the Bing Maps Distance Calculator interface. At the top, there are navigation links for Web, Images, Videos, Shopping, News, Maps, More, MSN, and Historical. The Bing logo is on the left. The main map area shows the United States with a red line representing a driving route from Washington, DC to San Francisco, CA, and a blue line representing the straight-line distance. On the left side, there is a 'Distance Calculator' section with instructions: 'Calculate the straight line and the driving distances between multiple places.' Below this is an 'Add a Place' section with a search bar and a 'Search' button. A 'Your Places' list shows 'Washington Dc' and 'San Francisco, CA'. The 'Total Distances' section shows a flight icon with '2441mi' and a car icon with '2797mi'. At the bottom left, there are icons for various map features like Street View, Traffic, and Map Apps. The map itself is a detailed view of the United States with state names and major cities labeled.
