

WILEY DECLARATION EX. 3

With the move to One Victory Park, Haynes and Boone downsized to 175,000 square feet on six floors – immediately lowering energy costs through more efficient use of space.

Dallas

Haynes and Boone was the first major tenant to relocate to One Victory Park, an urban 20-story, 456,000 square-foot Class A building located near the American Airlines Center (AAC). It is a central component of the \$3 billion master-planned, multi-use Victory development, which features condominiums, apartments, hotels, restaurants, one-of-a-kind retailers, an inner-city market and the AAC, home of the Dallas Mavericks and the Dallas Stars. Our building is certified by the U.S. Green Building Council and features efficient use of resources and the environment, a health-conscious state-of-the-art indoor air system, access to natural daylight and use of recycled products.

The Dallas office of Haynes and Boone houses members of virtually all 35 of the firm's practice and industry areas, including Corporate, Litigation, Banking/Finance, Insurance Law, Health Care Law, Labor and Employment, Estate Planning, Real Estate, Bankruptcy, Intellectual Property, White Collar Crime and Antitrust.
