CASE NO. 2:09-CV-151-TJW-CE

ORDER

Pending before the court is defendants Google Inc. and AOL LLC's motion to consolidate class discovery in Civil Action Number 2:09-cv-00151-TJW-CE with discovery in Civil Action Number 2:09-cv-00142-TJW (Dkt. No. 20). The court GRANTS the defendants' motion to consolidate these cases for discovery purposes. As such, discovery related filings shall be made in Civil Action Number 2:09-cv-00151-TJW-CE, the later filed case. The court declines, however, to consolidate the cases for all purposes and will conduct separate class certification hearings.

SIGNED this 28th day of September, 2010.
