**AGREED MOTION FOR EXTENSION OF TIME TO FILE PROPOSED DOCKET
CONTROL ORDER AND DISCOVERY ORDER**

Plaintiff Wireless Recognition Technologies LLC. and Defendants A9.com, Inc., Amazon.com, Inc., Google Inc., Nokia Inc. and Ricoh Innovations, Inc. file this agreed motion to extend the deadline to file their proposed Docket Control Order and Discovery Order from March 2, 2011 until March 9, 2011, and would show the Court as follows:

Pursuant to the Court's Order dated January 20, 2011 (Dkt. 50) the deadline for filing the proposed Docket Control Order and Discovery Order is March 2, 2011. As set forth herein, the parties have been working diligently to meet this date. However, despite the efforts of the parties, the parties are presently unable to meet this date. The parties seek leave from the Court to extend the March 2, 2011 deadline by one week, until March 9, 2011. This additional one week extension will allow the parties to continue to meet and confer in good faith in an effort to reach an agreed Docket Control Order and Discovery Order, or at least to narrow the scope of their dispute.

This motion is not made for delay, and should not impact any other deadline applicable to this litigation.

Accordingly, the parties request that the Court grant this Motion and extend the deadline to file their proposed Docket Control Order and Discovery Order from March 2, 2011 until March 9, 2011.

Dated: March 2, 2011
