Civil Action No. 2:10-cv-364 (TJW)

DECLARATION OF SHELLY CROWLEY

I, Shelly Crowley, declare as follows:

1. I am a litigation paralegal at Nokia Inc. and I have been employed by Nokia Inc. continuously since March 1, 1999. I have personal knowledge of the facts contained in this declaration and, if called upon to testify to the truth of these facts, I could and would do so competently.

2. Nokia Inc. is a Delaware corporation with its principal place of business in White Plains, New York.

3. Nokia Inc. is wholly owned subsidiary of Nokia Holding Inc., which is a wholly owned subsidiary of Nokia Corporation. Nokia Corporation is a publicly held Finnish corporation with a principal place of business in Espoo, Finland.

4. The majority of the research and development of the Nokia Point & Find application that is accused of infringement in the above-referenced litigation took place in Silicon Valley, California. The technology for the Nokia Point & Find application stems from

Nokia's acquisition of a startup company called Pixto, which was also located in Silicon Valley, California.

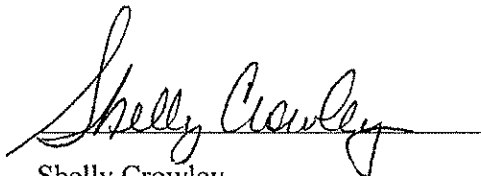

5. The Nokia employees most knowledgeable about the functionality of the accused Point & Find application are located in Northern California. There are currently 24 individuals, including contractors, involved with the Nokia Point & Find technology. Twenty of these individuals are located in Silicon Valley, California, two individuals are located near London, United Kingdom, and two individuals are located in Oulu, Finland.

6. The majority of documents and information related to the accused Nokia Point & Find technology are located in Silicon Valley, California.

7. I have inquired within Nokia whether there are any Nokia employees or potential witnesses or documents regarding the accused Point & Find application that are located within the Eastern District of Texas, and I have been unable to locate any employees, witnesses or documents within that District.

I declare under penalty of perjury under the laws of the United States that the foregoing is true and correct.

Dated: March 9, 2011
