Overview

Be ready for anything with **LG Ally** by your side. Talking or texting, touching or typing, uploading or downloading, this multi-talented superphone does it all—and does it with style. What you'll see up front is an ergonomic silver-and-black case, tempered glass touchscreen, microSD™ slot, and touchscreen–qwerty keyboard combo, underneath, the Ally gives you the ability to customize home screens, and switch from surfing the web and emailing to text messaging and updating your social status. Plus turn-by-turn directions from Google Maps gets you to the action, fast and the 5.2mp camera/video captures your heroic or ordinary
