

# EXHIBIT 16

## What's up with Brian?

I run [A9](#), a search company in Palo Alto.

## WebCrawler

While at the University of Washington, I developed [WebCrawler](#), a project that turned into a product before a thesis. You can read more about WebCrawler in [this history](#), in the [original paper](#), or in the [dissertation itself](#).

## I have some cool friends

Rhea Tombropoulos, [Jon Haveman](#), [Keith Olhfs](#), [Lizza Miller and George Dittmeier](#), [Gillian Sanders](#), and [Michael Rubin](#).
