Company Overview

As of November 18, 1999, Infoseek Corporation was acquired by Walt Disney Co. Infoseek Corporation provided Internet search and navigation technology, and products and services that use the World Wide Web. The company produces GO Network and the Infoseek Service Internet gateways that combine branded content from media leaders, search and navigation with directories of relevant information sources and content sites, community applications for communicating shared interests such as chat and instant messaging, and which facilitate the purchase of related goods and services. The company was incorporated in 1993 and is based in Sunnyvale, California.
