**GOOGLE’S UNOPPOSED MOTION TO EXCEED PAGE LIMIT**

Defendant Google Inc. seeks leave of the Court to exceed the page limit in its Reply in Support of Its Expedited Motion To Compel Discovery by one page. The Court granted leave to the parties to exceed the fifteen page limit by three pages for their expedited motions to compel discovery and oppositions thereto. (Dkts. 239, 249, 259-60.) Accordingly, the number of issues for Google to address in its Reply in Support of Its Expedited Motion To Compel Discovery necessitates a brief of six pages in length. Google respectfully requests that this Court grant leave to exceed the five page limit by one page. Rockstar does not oppose this request.
