

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF TEXAS
MARSHALL DIVISION**

PETER WEBER

§

§

v.

§

Case No. 2:13-CV-0995-JRG-RSP

§

PACT XPP TECHNOLOGIES, AG

§

**AMENDED ORDER ADOPTING REPORT AND RECOMMENDATION GRANTING
DEFENDANT’S MOTION TO DISMISS ON GROUNDS OF
FORUM NON CONVENIENS**

On March 24, 2015, this Court issued an Order adopting the Magistrate Judge’s Report and Recommendation granting PACT XPP Technologies, AG’s (“PACT”) Motion to Dismiss on Grounds of *Forum Non Conveniens* (See Dkt. No. 65, “Order Adopting”; Dkt. No. 64, “Objections”; Dkt. No. 63, “Findings and Recommendation”; Dkt. No. 14, “Motion to Dismiss”).

Defendant PACT has filed a Motion to Reconsider (Dkt. No. 66) on March 25, 2015, asking the Court to clarify that the Order Adopting was issued after a *de novo* review of the record by the undersigned. While that was implicit in the Order Adopting, the Court does hereby make it explicit, noting that it conducted a *de novo* determination of those portions of the Findings and Recommendation as to which objection was made under Federal Rule 72(b)(3), and found no error therein. Accordingly, this action is hereby **DISMISSED WITHOUT PREJUDICE** to refiling same in an appropriate court in Germany. The Clerk is directed to close this case.

So ORDERED and SIGNED this 29th day of March, 2015.

 RODNEY GILSTRAP
 UNITED STATES DISTRICT JUDGE
