

IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF TEXAS

MARSHALL DIVISION

JAMIE LEE BLEDSOE, #02150627                   §  
VS.   §                   CIVIL ACTION NO. 2:17cv623  
DISCIPLINARY BOARD, ET AL.               §

ORDER OF DISMISSAL

Petitioner Jamie Lee Bledsoe, a prisoner within the Texas Department of Criminal Justice proceeding *pro se* and *in forma pauperis*, filed this federal petition for a writ of habeas corpus. The petition was referred to United States Magistrate Judge, the Honorable Roy S. Payne, for findings of fact, conclusions of law, and recommendations for the disposition of the petition.

On May 12, 2020, Judge Payne issued a Report, (Dkt. #11), recommending that Petitioner's habeas claims be denied, with prejudice, and that Petitioner be denied a certificate of appealability *sua sponte* as to those claims. Further, Judge Payne recommended that Petitioner non-habeas claims be dismissed, without prejudice. A copy of this Report was sent to Petitioner at his address, with an acknowledgment card. The docket reflects that Petitioner received a copy of the Report on May 15, 2020, (Dkt. #12). However, to date, no objections have been filed and Petitioner has not communicated with the Court since February 2018.

Because objections to Judge Payne's Report have not been filed, Petitioner is barred from *de novo* review by the District Judge of those findings, conclusions, and recommendations and, except upon grounds of plain error, from appellate review of the unobjected-to proposed factual findings and legal conclusions accepted and adopted by the district court. *Douglass v. United Services Auto. Ass'n*, 79 F.3d 1415, 1430 (5th Cir. 1996) (*en banc*).

The Court has reviewed the pleadings in this cause and the Report of the Magistrate Judge. Upon such review, the Court has determined that the Report of the Magistrate Judge is correct. *See United States v. Wilson*, 864 F.2d 1219, 1221 (5th Cir.), *cert. denied*, 492 U.S. 918, 109 S.Ct. 3243 (1989) (holding that where no objections to a Magistrate Judge’s Report are filed, the standard of review is “clearly erroneous, abuse of discretion and contrary to law.”). Accordingly, it is

**ORDERED** that the Report of the United States Magistrate Judge, (Dkt. #11), is **ADOPTED** as the opinion of the Court. Further, it is

**ORDERED** that Petitioner Bledsoe’s habeas claims are **DENIED**, with prejudice. Petitioner is **DENIED** a certificate of appealability *sua sponte* with respect to those habeas claims. Moreover, it is

**ORDERED** that Petitioner’s non-habeas claims are **DISMISSED**, without prejudice. Finally, it is

**ORDERED** that any and all motions which may be pending in this civil action are hereby **DENIED** as moot.

**So ORDERED and SIGNED this 24th day of August, 2020.**
