A laser printer with an adequate paper supply shall be attached to the Standalone Computers and the receiving party shall make no more than **1,500** total pages of hard copies of **HIGHLY RESTRICTED CONFIDENTIAL** material that they in good faith consider to be necessary to proving the elements of their case. **In the event the receiving party feels that this disclosure is inadequate, it may petition the Court for additional pages after reasonable time for review by the receiving party's expert.**
