

Petitioner was convicted and sentenced in Cherokee County which is located in the Tyler Division of the Eastern District of Texas, and is confined in the Texarkana Division of the Eastern District of Texas. Thus, jurisdiction is proper in the Eastern District of Texas. However, the petition has been inadvertently filed in the Texarkana Division instead of the Tyler Division.

While jurisdiction is proper in the Eastern District of Texas, the court has considered the circumstances and has determined that the interest of justice would best be served if this petition were transferred to the division in which the petitioner was convicted.

Under 28 U.S.C. § 1404(a), for the convenience of parties and witnesses and in the interest of justice, a district court may transfer any civil action to any other district or division where it could have been brought. Such a transfer may be done *sua sponte* and is reviewable only for an abuse of discretion. *Mills v. Beech Aircraft Corp.*, 886 F.2d 758, 761 (5th Cir. 1989).

Since petitioner complains of a conviction which occurred in the Tyler Division, all records and witnesses involving this action most likely will be located in the Tyler Division. Thus, the transfer of this action to such division would further justice. Therefore, it is the opinion of the undersigned that this petition should be transferred to the United States District Court for the Eastern District of Texas, Tyler Division. An Order of Transfer so providing shall be entered in accordance with this Memorandum Opinion.

**SIGNED** this 24 day of November, 2008.
