Tim -

wanted to bring you up to date, attached you will find a copy of the schedule / security agreement of the postage financing agreement w/ Exposures. The entire document couldn't be located, this was all that was apparently in the folder. The patent attorneys think it's enough to "start" and we may ask for testimony from you, etc. that further details how the program worked if needed.

just wanted to keep you in the loop and again I appreciate your help in this matter. I hope you are enjoying your summer (not sure if you left for Martha's Vineyard or not) and I will touch base soon.

David
