Certainly you can list me and you should use the office address.

got the following e-mail from Allen Abbott and I would expect that you could count on both Randy and Allen.

Hi Tim,

I called David earlier this afternoon and left a message on his voice mail. I indicated to him that I would be leaving for vacation at the end of the day today, so hopefully we can hook up later this afternoon. Of course I would be pleased to help him work his way through this in any way I can. Please send my best to Joan.

Allen

Tim – I spoke w/ Randy, he's ok w/ helping. I will reach out to Allen. We have to disclose soon to the courts who we are speaking with. For yourself, is it ok if we list yourself and I assume you want the office address listed below? Thanks again for your help and have a good weekend.

-David

I have talked with Randy Bourne on the phone and I left a voicemail with Allen Abbott, both signatories to the "postage financing" agreement in the early nineties – Randy as CEO and Allen as CFO. I believe both will help with the patent issue. They clearly remember the situation. Everyone's contact information is included in this e-mail.

Although I'm sure there is no paperwork, I can reach at least three people who would attest to the fact that we facilitated catalogs in the early eighties for catalogs to pay for their fulfillment bills by diverting some of their proceeds, based on a formula, to the fulfiller.

Please let me know what I can do and if you need affidavits or my testimony.
