Tim – are you available anytime Wed / Thu for about 30 minutes for a phone conference with our attorneys to do an "interview" with you about what you've told me so far about your postage financing and similar programs prior to July 1996? We will obviously accommodate your schedule when you are available. This phone call would not be official "testimony" – but just a chance for our attorneys to hear what you have told me so far and to determine how to best utilize what you've told me to date. Please advise.

The best time would be Wednesday morning either an hour before or after a other call ithat Elaine is scheduling.

Elaine will contact you to work it out.
