It occurs to me that it would be a worthwhile exercise to crystallize our vision of One way to do this is to put together a video script (whether or not any video is ever made).

What are the (two or three?) important ideas? Why will a be more interesting than anything else that will be around in a couple of years? What are the illustrative uses for why is très cool)?

Find: Blackstone

Who is the audience for this? Why? What is the video is for us, to clarify what is important and interesting, this actual video, if any, could be for internal advertising (i.e., for other groups that we hope will do things for us and with us and for executive staff to keep resources coming); it could also be for external consumption to create demand for and interest in the kind of stuff we're doing.

What do I want from you? Anything you have on the questions above.
