Subject: Conference for Amended Motion to Compel

Importance: High

Nick,

I just spoke with Patty regarding an amended motion to compel that Cisco intends to file today. The substance of the motion is the same as our original motion regarding the failure to respond to interrogatories, but since the discovery period has now ended, we are now asking the Court to preclude Eric from providing additional evidence or attempting to vary the complained-of statements in the Complaint. Patty has stated that she will attempt to contact you and Eric. Of course, we will have to file this today because of the motions deadline. Please let me know whether you will agree to the relief we are requesting or whether you oppose the motion.

Thank you,

Crystal J. Parker
